Allgäu

Saliter flavoured milk drinks

...the taste of the Allgäu.

Natural taste of pure, fresh Alpine milk. The rich taste is due to the high-quality natural ingredients. Natural banana puree is used for the banana milk. A vanilla bean extract gives the vanilla milk its truly unique flavour. A concentrate of sun-ripened strawberries gives the strawberry milk its wholesome fruity flavour, and the high proportion of high-quality UTZ-certified cocoa makes the chocolate milk really unique.
